Project Description:

The purpose of the proposed project is to replace timber laggings on three bridges in San Luis Obispo County: one in Pismo Beach (Pippin Lane Bridge) and two in Cayucos (Villa Creek Road Bridge and Picachio Road Bridge).

The proposed project activities include:

- Replacing timber laggings in-kind at the abutments and wingwalls of the bridges;
- Accessing existing laggings, removing them and replacing them;
- Employing temporary stream diversion at Picachio Road Bridge and Pippin Lane Bridge; and
- Returning each stream to previous conditions after work has been completed.

No mitigation is proposed.

The County of San Luis Obispo filed a Negative Declaration on October 24, 2019.
